Experience Israel with Covenant Journey Travel

ORLANDO, FL – Covenant Journey Travel is a unique ministry that provides unforgettable, life-changing tours with a biblical and spiritual emphasis.

The Israel tour was designed to create a unique experience in the Holy Land that will strengthen your Christian faith.

Unlike many Christian Israel tours, Covenant Journey Travel provides the vibrant intersection of ancient and modern Israel from a biblical, historical, political, security, business, technology, science, and trade aspect. These biblical sites and the spiritual experience will deepen your Christian faith and your confidence and understanding of the Bible. You will never read the Bible the same. Participants will learn first hand the miracle of ancient and modern Israel.

Covenant Journey Travel provides the best opportunity for a spiritual and learning experience that will last a lifetime with close attention to the details to make this journey a life-changing experience. The founders and leaders of Covenant Journey Travel have personally led many tours in Israel. Drawing upon this experience and feedback from surveys, Covenant Journey Travel offers the best itinerary and educational resources that help contextualize your journey.

For a number of years, Covenant Journey has provided a life-changing experience in Israel for Christian college-age students with demonstrated leadership. These tours are subsidized and only available to college-age students through a competitive application process. As a result of these tours, many have requested a similar tour experience that is available to anyone. Covenant Journey Travel was thus born to offer a similar experience for anyone wanting to visit the Holy Land.

The next Covenant Journey Travel Israel tour is March 29 – April 7, 2020. Click [here](#) to register.

Covenant Journey Travel provides its own tour experience and also provides Israel and other Christian tours for churches and groups. Visit CovenantJourneyTravel.org, or call 407-875-1967.
